Application for Standard Homestead Exemption for Veterans with Disabilities General Information

What is the Standard Homestead Exemption for Veterans with Disabilities (SHEVD)?

The SHEVD (35 ILCS 200/15-169) provides an annual reduction in the equalized assessed value (EAV) of a primary residence occupied by a veteran with a disability, or the veteran's qualifying surviving spouse, on January 1 of the assessment year or on a prorated basis during the time of occupancy for the assessment year. The SHEVD amount depends on the percentage of the service-connected disability as certified by the U.S. Department of Veterans' Affairs.

If the veteran has a service-connected disability of 30% or more but less than 50%, then the annual exemption is \$2,500; if the veteran has a service-connected disability of 50% or more but less than 70%, then the annual exemption is \$5,000; and if the veteran has a service-connected disability of 70% or more, then the residential property is exempt from taxation under this Code.

Who is eligible?

To qualify for the SHEVD, the veteran must

- be an Illinois resident who served as a member of the U.S. Armed Forces on active duty or state active duty, Illinois National Guard, or U.S. Reserve Forces, and who has an honorable discharge;
- have at least a 30 percent service-connected disability certified by the U.S. Department of Veterans' Affairs; and
- own and occupy the property as the primary residence during all or a portion of the assessment year.

Note: The property's total EAV must be less than \$250,000 after subtracting any portion used for commercial purposes. "Commercial purposes" include any portion of the property rented for more than 6 months.

If you previously received the SHEVD and now reside in a facility licensed under the Nursing Home Care Act or operated by the U.S. Department of Veterans' Affairs, you are still eligible to receive the SHEVD provided your property is occupied by your spouse; or remains unoccupied during the assessment year.

Is a surviving spouse eligible?

An **un-remarried** surviving spouse of a veteran:

- can continue to receive the SHEVD on the veteran's primary residence, provided the SHEVD had previously been granted to the veteran. The surviving spouse can transfer the SHEVD to another primary residence after the veteran's original primary residence is sold.
- is eligible for the SHEVD on his/her primary residence if the veteran was killed in the line of duty, even if the veteran did not previously qualify or obtain the SHEVD.
- may also qualify for the SHEVD if the veteran did not obtain the SHEVD before death but would have qualified in the taxable year for which the exemption is sought if he or she had survived, the spouse has been a resident of Illinois from the time of the veteran's death through the taxable year for which the exemption is sought, and supporting documentation is obtained and filed with the CCAO.
- is eligible for the SHEVD on his/her primary residence if the veteran's death was determined to be service-connected and the spouse is certified by the U.S. Department of Veterans Affairs as a recipient of dependency and indemnity compensation under federal law, even if the veteran did not previously qualify or obtain the SHEVD.

An **un-remarried** surviving spouse must occupy and hold legal or beneficial title to the primary residence during the assessment year.

Do I need to provide documentation?

The Kane County Chief County Assessment Officer (CCAO) requires documentation to verify your eligibility for the SHEVD. You must provide documentation from the U.S. Department of Veterans' Affairs for the current assessment year and one of the following documents that is the original or a copy certified by the county recorder, recorder of deeds, Illinois Department of Veterans' Affairs, or the National Archives Record Center.

- Form DD 214 or separation of service from the War Department (military service prior to 1950);
 - Certification of Military Service Form; or
 - Illinois Driver's license or ID card showing a Veteran's Designation.
- A Disability Certification Letter containing the rating percentage and effective date for the year you're applying for from the U.S. Department of Veterans' Affairs for the current assessment year. Unemployability can no longer be included in the overall or combined rating.

To request documentation that specifies your percentage of "service-connected disability rating," call your local Department of Veteran's Affairs office (or other veteran's assistance office), or go online to your Veteran's E-benefit account at ebenefits.va.gov. Any other rating is not valid.

An **un-remarried** surviving spouse of a veteran with a disability, who previously received this exemption, must provide the following documents to transfer the SHEVD to themselves or to transfer the SHEVD to a new primary residence:

- the veteran's marriage certificate;
- the veteran's death certificate; and

In the event the veteran was killed in the line of duty, the surviving spouse must **also** provide, in place of the veteran's death certificate, the DD Form 1300, Report of Casualty, issued from the United States Department of Defense. Contact the Department of Veteran's Affairs for assistance in obtaining this form.

If the qualifying veteran has a combined service-connected disability rating of 100% and is deemed to be permanently and totally disabled, as certified by the US Dept. of Veterans Affairs, the veteran who has been granted this exemption is not required to annually reapply for the exemption, and the exemption shall remain in effect for as long as would have otherwise been permitted. The qualifying veteran must file a Summary of Benefits letter with the CCAO to verify the proper ratings.

When will I receive my exemption?

The year you apply for the SHEVD is referred to as the assessment year. The county board of review, while in session for the assessment year, has the final authority to grant your SHEVD. If granted, your SHEVD will be applied to the property tax bill paid the year following the assessment year. The exemption will be prorated if the property is occupied for only a portion of the assessment year.

When and where do I file my application?

You (including an **un-remarried** surviving spouse applying for the first time or for a new primary residence) should file your Application for Standard Homestead Exemption for Veterans with Disabilities with your CCAO by the due date to receive this exemption. Contact your CCAO at the address and phone number below for assistance and filing information with your county.

Note: To continue receiving the SHEVD on your residence, you must file Annual Verification of Eligibility for Standard Homestead Exemption for Veterans with Disabilities, each year with your CCAO unless specifically exempted by law. You can mail the application to:
